I continue to update our site with current schedules, minutes, and events as I receive them. If your group is hosting an event, please send me a copy of the flyer so I can post it to the site. Thank you for letting me be of service. Matt L

Newsletter: No written report. Verbal report given. None being produced at this time, computer issues still ongoing.

AASC: Hello Ozark Area, my name is Melissa W. serving as your AASC chair. Today we discussed our dispute with the ROCC and the fish dying. I will contact Teddy S. about the situation. We also have our card swiper working and it's ready to go. You can now pay for merchandise and registration for HOLP. There are still opportunities to help with Hug Patrol. Please see Rufus P for more information. We have 2022 HOLP merchandise for sale, please contact Crystal C if you want to purchase.

H & I: Hello Ozark Area! Addict, Ginette, serving as your H&I Subcommittee Chairperson. We had our first meeting today at 1PM since before Covid hit us. We had a few people show up to get involved but I could use a lot more support from the groups. We need people that have H&I experience, even if they no longer have the availability or willingness to take meetings into places, to offer guidance and support for the newer members that want to get involved. This is a perfect time to get those sponsee's involved in some service work. Also, there are always more ways to serve than one, as we all know. So please, reach out to me. We can use help with organizing activities, communicating with different facilities, writing letters, reaching out to other addicts to attract them to being involved. Lots of options available! This is, after all, our PRIMARY purpose.... Carrying that message to the people that need it the most! I went to our Regional Business Meeting last weekend and got a lot of ideas, support and knowledge from the other areas H&I members. One thing I want to look into is raising funds to provide different jails and/or facilities with literature free of charge. I think this will be an amazing way to start getting the message back in to people that have been cut off from us for over 2 years now. I also plan to really promote Zoom meetings to the places that are still unwilling to allow extra people in due to the Covid spike in our area. They already use Zoom for things like court and DR appointments, there is no reason they can not facilitate for meetings also. I think we just need to ignite people with some passion for recovery in this community again. I also have information from the inside of treatment court that they are really pushing people now to get treatment rather than just punishing addicts for their crimes while in local jails. I think this will help us a lot if I can get in touch with some of those people pushing that agenda already. I will be visiting our area's groups in the next couple weeks to spread the word of what

we are trying to do and encouraging people to get involved. If you GSR's and other meeting attenders could help do that as well, I would greatly appreciate it! We also started laying the groundwork for an H&I event and plan to try to get it off the ground for the end of March. For our After The Rona Kick Off (just threw that title in there to marinate a bit lol) we plan to join together with the PR Subcommittee and have lots of fun activities, t-shirt design contests, food, speakers and more! I will get flyers with basic information sent in to our Area Secretary to include in the minutes and make it easier to start spreading the word. Looking forward to being of service in the upcoming term and having all of your shiny faces along for the ride! Loving Service- Ginette
