REPORTS:

Secretary: My expenses for last month were \$17.90 for copies. If your information has changed, please let me know. Thanks for letting me be of service. Love, Ali D. (620) 687-0890

Treasurer: See attached report. Added: The stop check fee was because a person lost a check so we cancelled the check just in case someone picked it up. Also, Amanda's term as treasurer is up in Oct. If you are

interested in becoming the treasurer in October, you should go ahead and get with Amanda now so you can learn how to be treasurer and how to help out at High on Life Picnic.

RCM: Hello Ozark Area, I'm Ed serving as your RCM. I did attend the April Regional meetings and they had a great workshop on "Public Relations Presentation for the Public." Once again, if you did not attend the Regional meeting you missed out on another great workshop. These addicts are willing to come to Joplin and do these workshops but this is something the area would have to decide as an area if they want these. We could get 2 workshops in one day because the RD is still willing to come here and do the workshop on Drug Replacement Therapy.

I have lots of resumes and motions that have to be voted on but I am only going to do the resumes today and next month the motions. We would be here all day if we tried to do them today and your group business meetings would be tied up for a couple of hours. Unfortunately the RSO came up again and Larry wants to come to the Region and talk to the Regional body about help with filing bankruptcy. Word is he is going to ask for help from the Region in the sum of \$1,500.00. The lawyers have advised the region not to have any contact with him. He needs to contact our lawyer. Most RCMs present know nothing about the RSO and will not give him help in any way. I have lots of info today to be passed around and if anyone has any questions about this stuff, I will try and answer it for you. na.org has most of this info and much more than what I have today. That's all I have today. In loving service, Ed H.

SUB-COMMITTEE REPORTS:

H & I: Hello Ozark Area. We held subcommittee meeting today at 2:00 pm. Opened with the serenity prayer. Read Traditions and Concepts. Read and approved last month's minutes. Congrats to Lynette-she is our new secretary. We have missed several meetings at Jasper County due to overcrowding. I talked to Officer Brown last Wednesday and he said that both himself and Lt. Karns were aware that we have missed meetings. Brown said that we will try to have a meeting next month to discuss a solution if any. Finally delivered pamphlets and a literature rack to P.F.H. The literature rack was on back order. I received it at the end of last week.

I went to regionals last week and we did have a subcommittee meeting Saturday. Ann was elected as Reg. H & I Chair, Pete I. was elected as Reg. Vice Chair, and Ed A. was elected as Reg. H & I Secretary. Scott from St. Charles Area and I were the only H & I Chairs in attendance. Joe from Quincy Area was there to let us know that his area is in the process of rebuilding. KC Metro sent a written report.

I have to say that yesterday's 5th Annual H & I Speaker Jam was a complete success in all areas. Great attendance, great food, and great fellowship. I am so proud to be a part of this subcommittee. Thanks again to everyone involved in yesterday's event. You all rock. We elected officers: Vice Chair Tara S., Jasper County Liaison Jamie G., and Lafayette House Liaison Krystal S. You still have time to put in your order for a one of a kind limited edition H & I T-shirt. Cost is \$15.00, need your name and size of shirt. Jo W. is putting in the order on Monday. Don't miss out. It will probably be only one order. Thanks again for all your support. Love and Service, Brian C.

AASC: Hello Ozark Area. I'm Terry serving as your AASC Chair. Our Area's birthday will be held May 30th at 1:30 in Humphrey Park in Royal Heights. Deb T. (Red) from Reed Springs will be our speaker. Food will be served after the speaker. Flyers will be out this week. HOLP is progressing nicely. We are confirming speakers and looking at workshop topics. Special note-campsites can be reserved at Mostateparks/reservations. You will be paying at the time of the reservation. Loving service, Terry L. Added: The HOLP flyers don't have

directions on it. If you can get to Cassville, there are signs directing you to Roaring River. The flyers do have contact phone numbers on it.

ROLE OF ZONES WORKSHEET

"Zonal forums are service-oriented sharing and/or business sessions that provide the means by which NA communities can communicate, cooperate, and grow with one another." GWSNA, page 1

Step 1: In column 2, rate how important you believe each role listed (or added) may be for your zone in the future

Use a scale of 1 (low) to 5 (high)

Step 2: Rate to what degree you believe your zone fulfills these roles on a scale of 1 (low) to 5 (high).

Step 3: Add any comments you wish to explain your rating. (Column 3)

Roles are not listed in any priority.

Possible Roles for Zones	How important do you think this is as a possible role for your zone? Scale of 1 (low) to 5 (high) (X for don't know)	How well does your zone do with this role now?	Comments
<p>1. Fellowship development: Zones may be able to assist with multi-regional PR efforts or offer support (resources) for PR efforts within a zone. Additionally, zones may help coordinate outreach efforts and help with local NA community development. Fellowship Development within a zone (and elsewhere) can include looking to see where NA is not and helping to initiate these efforts.</p>			
<p>2. Leadership development (delegates and zonal trusted servants): A zone is a likely service setting where leaders could be recognized and cultivated, including training delegates or those with trusted servant positions within a zone to help these members be even more effective.</p>			
<p>3. Planning: Zones can function well to help spot trends within their regions and participate in scanning (looking at the environment). This information could be collected at a zonal level to feed into an environmental scan at the world level and/or contribute information for the zone to help in its overall plan.</p>			
<p>4. Communication link: Zones are ideally positioned to facilitate the information flow to and from World Services and from member regions to other regions and zones. PR forums, Issue Discussion Topics, outreach efforts, and other types of workshops at a zonal level could help the flow of communication. Communication from zone to zone may also be productive.</p>			
<p>5. Exchange of best practices: Zones can be a place where regions gather to discuss what is working well for them and possibly extend these best practices to their regions to help improve service delivery. This role seems natural for zones that have open forums or sharing sessions among member communities.</p>			

<p>6. Point of connection—unity link: Zones can form a unity link between geographically related communities, including larger and smaller NA communities, as well as those that are emerging and more developed. Their meetings can be a place where member regions feel part of a larger NA community, and more experienced members can stay involved in service. Because of zones' makeup, it's relatively easy for interested members to attend and feel engaged, which zones could even encourage.</p>		
<p>7. Part of Fund Flow System: Currently, zones are not part of the formal fund flow system in a uniform sort of way. Ideally, do you think it would be beneficial to have more definition and guidance on how zones could fit into the fund flow?</p>		
<p>8. Training and development beyond the delegates: Zones could offer workshops to interested members within a zone on a variety of local service topics. Zones could host a multi-regional training/developing service-learning event for all members, or join with neighboring zones to do so.</p>		
<p>9. Collaboration: Zones can be an arena where member regions work together toward a common goal such as workshops for members from regions within a zone. They can be a forum that encourages regions to work together. Additionally, a zone could serve as a 'hub' for collaboration to encourage more local collaboration between NA service bodies.</p>		
<p>10. Delegation Stream: Currently representation and participation at the World Service Conference comes from regions. Discussion at WSC 2014 suggested representation from zones may be the most logical future for representation at the WSC to serve the needs of NA worldwide.</p>		
<p>Additional purposes/functions of zones:</p>
