REPORTS

Treasurer – see attached

Vice Chair:

Greetings fellow NA members,

I got a lot of insightful information from the Area Inventory yesterday. My general feeling is that even though the ASC has the structures in place to fulfill the stated needs of the groups those needs aren't seen by the groups as being met. It would appear that the ASC's goals for improvement this year ought to focus on communication and coordination of ASC functions and purpose towards member groups' service bodies, as well as fine tuning area subcommittees' relations with the outside community.

ILS, Doug B.

Website Coordinator:

Hello Area,

I am an addict named Matt serving as your website coordinator. Nothing new to report this month. I do my best to make sure the information is up to date on the site. I would, again, like to remind anyone who is hosting an event for which you have made a flyer to please email or text me a copy of your flyer to be posted to the site. Sending me a digital copy will assure your event's flyer will be posted with the highest quality to the calendar on the site. Thank you all for allowing me to be of service.
