REPORTS:

Treasurer: See attached report.

Secretary: Hello Area. My expenses for copies and postage was \$23.21. My term as secretary is up this month, but I will do the minutes for this month. Thanks for allowing me to be of service. Meri S.

RCM: Hello Ozark Area! I'm Meri, an addict grateful for the opportunity to be of service to this area. Some other topics discussed at the regional meeting were: an ad hoc committee was formed to find yet

another location to hold the regional meetings as most of the RCMs could not connect to the Wi-Fi, people were charged more than what the hotel quoted and the facility was understaffed, but the RSC will still meet in Moberly in July. Discussion was held on having the regional meetings online as it would save time and money. Some of the cons brought up would be that it may compromise anonymity and the people would miss out on the social interaction, meeting new friends in the fellowship, and new addicts in recovery missing the opportunity to see how big our fellowship is. I am sure more will be revealed on that. One RCM reported that a group in his area had a member who was hearing impaired and wanted help from the region to pay for an interpreter. Suggestions given were to contact several organizations that may offer free or next to free services. Another area was advised to check their area guidelines on consensus voting versus tally voting regarding the voting in their area. Writing steps to recovery is doing well but could still use more people who have the clean time requirement to help process steps with inmates. Also please remember to go to na.org and take the surveys about two new pieces of literature that are in the making. I put both of those surveys in the minutes from last month. You can print the surveys out and mail them in or do them online. I will include the link at the end of my report. This needs to be done by June 1. Please pass this reminder on, as the deadline is quickly approaching. There are two regional motions that I hope your group discussed and GSRs are ready to vote on today. This month, there will be ten (10) regional resumes that will be included in your minutes to be brought back so that the next RCM will have them when he/she goes to the regional meeting in July. Lastly, this is my last area as your RCM. I would like to thank the Ozark for allowing me to serve the best area in the Show Me Region. It has been a great year filled with highs such as our Area having created the motion for region to have a line item in their operating budget for all RCMs to attend region - and it's also been some frustrations but that's what they call life on life's terms. I served this Area to the best of my ability and enjoyed the learning experience. Don't count me all the way out. I'll probably be back for more sometime down the line. Thank you for allowing me to serve. Meri S., (417) 439-0276. inhisgrace2009@yahoo.com

SHARING SESSION

Shelly W. asked the group for comments on the RCM report about possible online Regional meetings. Pam M. said it was bad for unity, it helps new RCMs and GSRs place to gather and bring people to do

service. Sandee A. said we find out what's going on in other areas and it's informative. Ed H. said it's not a good idea, he doesn't have a camera and it would be an added expense to the Area to have to buy a camera, Shelly W. added that the experiences of regionals is amazing. Glenn P. agreed with all of the above.

Brienna B. asked everyone to get in touch with her by the second Sunday of each month with changes to the meeting schedule.

Ed H. said that anyone can go to region. We meet a lot of people. We encourage people to go more than once. The Area pays for one men and one women's room. There are great workshops and speakers.

The campfire meetings have been discontinued.
